

Education Committee

REPORTING RESPONSIBILITY: To the full Board of Trustees

The Chair shall appoint an Education Committee, which shall consist of at least one (1) individual who is a professional dental laboratory technology educator and at least one person who is a professional dental educator.

The charge of the Education Committee is to study, plan and develop education programs, to develop liaison with committees of interest from the dental profession, to assist planning of all programs of education with organizations and entities approved by The Foundation.

The committee is to use the established criteria for qualifying candidates. Each candidate should be informed of his or her fiduciary responsibilities, scope of work, expected travel and personal expenses, and the term of service.

Members of the Education Committee are:
